Amdt. Dated 05/14/2003
Reply to Office Action of September 24, 2002

REMARKS

As discussed with Examiner Ciric on May 8, 2003, formal drawings are being submitted along with the present amendment as required in the last Office Action mailed by the USPTO on September 24, 2002

In furtherance of the applicant's comments on page 6 of the Amendment filed on March 18, 2003, the applicant is now submitting formal drawings to address the informalities raised by the draftsman such that the drawings are now in condition for allowance. The applicant is believed to have addressed the objections raised by the Examiner and the draftsman.

The Examiner is invited to contact the applicant's undersigned attorney with any questions or comments, or to otherwise facilitate prosecution of the present application.

Respectfully submitted,
